## **Notice Concerning Postponement of Announcement of Financial Results for the Second Quarter of Fiscal Year ending December 31, 2020**

Roland DG Corporation (the “Company”) hereby announces that it will postpone the announcement of the consolidated financial results for the second quarter of the fiscal year ending December 31, 2020, which was scheduled for August 7, 2020.

1. Reason for postponing the announcement of the financial results

The company has been working on the preparation of the financial results for the second quarter, which was scheduled to be announced on August 7. However, due to the spread of COVID-19, it is now expected that it will take time to finalize the second quarter financial results of the European sales subsidiaries. Therefore, the company has decided to postpone the announcement.

2. Announcement date of the financial results

The company will announce the date once it has been fixed.

3. Revision of the consolidated financial result forecasts for the fiscal year ended December 31, 2020

While the financial results of the European sales subsidiary have not yet been finalized as stated in the reason for postponing the announcement, we have separately announced a "Notice of Revisions of Financial Result Forecasts and Dividend Forecasts" today based on the latest earnings estimates.

We sincerely apologize for any inconveniences and concerns this might cause to our shareholders, investors and all related parties and ask for your kind understanding in this matter.
