## **Notice of relocation of Head Office and construction of the new business building of the Head Office**

Roland DG Corporation (hereinafter, the “Company”) hereby announces that the Company resolved at the meeting of its Board of Directors held today, to relocate its head office and construct of the new building of head office. The detail are as follows.

### 1. About relocation of Head Office and construction of the new business building of the Head Office

The company will relocate its head office to the Miyakoda office, which has production and R&D functions, and integrate the head office and the Miyakoda office, which were previously divided into two locations in Hamamatsu city. The new office building will be environmentally friendly, achieve high energy efficiency, and strengthen earthquake resistance as a countermeasure against the Nankai Trough earthquake, creating a safe and secure work environment. Furthermore, we aim to create an environment that make it comfortable to work in offices that support a variety of work styles and to improve productivity by improving operational efficiency through the integration of bases.

### 2. Outline of the new building of the head office

① Construction site	1-1-3 Shinmiyakoda, Kita-ku, Hamamatsu-shi, Shizuoka-ken
② Building structure	Reinforced concrete structure 3 stories
③ Construction start date	September 2022 (plan)
④ Completion date	July 2023 (plan)
⑤ Relocation date	October 2023 (plan)
⑥ Investment amount (plan)	Approx. 2,950 million yen (Building and equipment)

### 3. Future Outlook

The effect of relocation of Head Office and construction of the new business building on the consolidated financial result of the Company for the current fiscal year is immaterial. There is no revision of earning forecast overview. There will be no change to the article of incorporation associated with the relocation of the head office.
